EXAMINER'S STATEMENT OF REASONS FOR ALLOWANCE

3. The following is an examiner's statement of reasons for allowance:

Regarding independent claims 1 and 6, it is known in the prior art to authenticate by digital signatures. However, the prior art of record does not disclose or reasonably suggest encoding an identification code of a portable unit into an acoustic signature for providing a digital signature of a true owner. Applicant's Specification, Pages 3 to 5,

Art Unit: 2654

suggests advantages of a non-repudiable, non-trackable identification of an owner of a portable device for arbitration of a disputed transaction.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
